The Handbook introduces the 16 digital and social media literacy resources available and 8 thematic areas:

1. Secure Online Engagement
2. Real & Virtual Identity
3. Online Communication
4. Cyberbullying
5. Your Digital Trace
6. Credit & Copyright
7. Information Literacy
8. Online Safety

The partners have piloted and validated the material with youth workers in the partner countries; Cyprus, Ireland, and Finland, before including them in the final training programme.
