

UNWIND PROJECT NEWSLETTER 4

February, 2020

COMING NEXT...

During the coming months, a partnership is planning to:

- focus primarily on dissemination of the E-learning Platform and multiplier events that will help to promote UNWIND in partner countries of the project.
- meet again during the fifth Transnational Project Meeting and organise a Final Conference for 80 delegates representing youth development and human resource management at policy and practice level on 25th - 26th June of 2020 in Ostrava, Czech Republic.

WELCOME TO THE FOURTH NEWSLETTER OF THE “UNWIND” PROJECT!

UNWIND project is now in the very developed stage and has more and more to offer to its target groups.

This time you will learn here more about:

- The recent activities of the project consortium and plans for the upcoming months.
- Fourth Transnational Partner Meeting

See what we can do to help you!

WHAT HAS BEEN DONE RECENTLY?

It's been now over a year, that UNWIND consortium has been developing the intellectual outputs of the project and managed to produce a whole range of various valuable and innovative resources.

All the project outputs are finalised, translated and available on the website for free use.

4th TRANSNATIONAL PROJECT MEETING IN POLAND

Project UNWIND is now at a very demanding stage, therefore partners need to have a productive time during Project Meetings. With that in mind, members met for the Fourth Transnational Partner Meeting on 7th of February 2020 in Rzeszów, Poland.

HOSTING PARTNER

The Fourth Transnational Project Meeting of the UNWIND Project was organized by the Polish partner – INNEO (The Center for Training and Research).

INNEO – is a non-profit association based in Rzeszów (Poland). The main mission of the organisation is providing training and research for social and economic development on local and European scale. The fields of expertise are labour market, entrepreneurship, education, and creative industries.

THE MEETING'S SCHEDULE

Since the partnership gradually approaching the final stages of UNWIND project, the fourth meeting was filled with hard work to clarify all the remaining project's tasks and plan upcoming dissemination, piloting and training activities.

The meeting started with the general introductions and greetings followed by a short review of the project – recent outputs, objectives, schedule and methodology.

A great deal of attention was paid to discuss piloting of completed outputs in all countries of the partnership.

Additionally, consortium discussed administration, technical and management issues of the project.

The meeting was finished with clear division of tasks among partners and establishing deadlines for coming months.
