

# PAST-TIMES PROJECT NEWSLETTER 4

## REMINDER: WHAT IS PAST-TIMES ABOUT?

The PAST-TIMES PROJECT helps young migrants to work with seniors from their host country and to develop an appreciation of their own heritage and of the cultural heritage of their host country in Europe. We aim to develop the awareness of cultural heritage and values of Europe by letting them work with older persons in their host country, to record and document the oral history of Europe's older generations and to develop an understanding and appreciation of Europe's cultural heritage.

## WELCOME TO THE FOURTH NEWSLETTER OF THE „PAST-TIMES“ PROJECT!

The sanitary situation in Europe has considerably slowed down the activities of the PAST-TIMES project. Indeed, after having developed and translated the project resources, the consortium was about to test them in real conditions with the project's target populations. Unfortunately, COVID-19 prevented the consortium from carrying out its plans.

Therefore, the partnership has asked to the French National agency for a project's extension in order to be able to conduct all the planned activities; PAST-TIMES will be over the 2<sup>nd</sup> of February 2021 so stay tuned for our next activities.

## COMING NEXT...

During the coming months, a partnership is planning to:

- Test the resources developed by the consortium in order to fine-tune the outcomes of the project.
- Focus primarily on dissemination of the E-learning Platform and multiplier events that will help to promote PAST-TIMES in partner countries of the project.
- Meet again during the Final Transnational Project Meeting and organise a Final Conference for 80 senior officials in the adult education sector, the migrant support sector, the active retired sector, and historical societies in Belgium.
